

The Bozeman High School Speech and Debate team won the Garden City Invitational in Missoula November 15-16, besting second place Glacier by a score of 196.5 to 148.5. Flathead High School took 3rd place with 144.5 points. Bozeman was paced by an incredibly strong showing in the team debate events, taking the top 4 places in Novice Policy Debate, 1st 2nd, and 5th places in Varsity Policy Debate, and 1st, 6th, and 8th in Public Forum Debate. The Hawkers also had particularly strong showings in Humorous Interpretation and Informative Speaking, taking 2nd and 3rd in both events. Full results are attached.

It was a good test for the team early in the season, and it showed how tight the race for the State Championship will be this year. Without novice debate points the top 3 places would have flipped and we would have come 2nd by 20 points or so, but adding speech points from JV would have seen us winning by 12.5 points. It'll be a competitive season.
