

From Coach Thane: "The Bozeman High School Speech and Debate Team continued a successful season this past weekend, Winning the Electric City Invitational Speech and Debate Tournament in Great Falls on December 13 & 14 over Kalispell's Glacier High by a score of 228 to 176. Flathead High was 3rd with 141. The meet was attended by all 15 Montana AA schools as well as Great Falls Central, Havre, and Browning. The Hawks were paced by tournament Champions Aiden Farmer and Mason Scurry in Public Forum Debate and Emmett Allen in Novice Lincoln-Douglas Debate as well as multiple top 4 finishers in several other events. Full results are attached. The result was a great way to head into the winter break. In terms of the implications for State it was much closer than the point spread indicates, as there is no novice debate at State. We were by far the most balanced team across all events, and even subtracting all novice points we would have come out on top by 12, and I honestly don't think we've fully hit our stride yet this season. We've had great results individually in every event at each tournament this year, but it's been different competitors every time. Once we get people consistently finishing at their
